

# The Centre

You are cordially invited to join us at

# The Centre

on

Friday 31st July and Saturday 1st August

7.00pm

at

MPAC, 1 - 27 Bridport Street, Liverpool, L3 5QF

You have been identified as a member of our society who, like us, has been affected by the abolition of local authority and government funding.

Over the past few months, our community has created a resilient alternative - The Centre, a place where the people matter and everything you need is at your finger-tips. You've been invited to an open evening to see what we have built, where our dedicated Manager and community members will introduce you to the fantastic services which are provided free of charge for all those who join.

Join us for the **only** alternative.

Join us for a better life.

Limited spaces available. To book your place,  
email [admin@collective-encounters.org.uk](mailto:admin@collective-encounters.org.uk)
