

MAKE YOUR MARK

Make Your Mark

Make Your Mark offers young people across the North West the chance to directly influence the decision makers that shape their lives.

Make Your Mark will use a theatre technique called Legislative Theatre as a means to communicating young people's views on current social and political issues to local councillors, MP's, MEPs and civil servants at a public event in October 2016. Legislative Theatre is a South American technique that has been adopted internationally as a dynamic model of direct democracy.

If you are a young person living in the North West, and you want to make a difference to the world then get involved in this project. Participation is free, and open to any young person. Reasonable travel expenses can be reimbursed.

To get involved in this project contact
